MEMORANDUM OF UNDERSTANDING (MOU)
BETWEEN
THE GOVERNMENT OF THE UNITED STATES OF AMERICA,
THE GOVERNMENT OF THE REPUBLIC OF PERU,
AND
THE GENERAL SECRETARIAT OF THE ORGANIZATION OF
AMERICAN STATES
REGARDING
A SECRETARIAT FOR SUBMISSIONS ON ENVIRONMENTAL
ENFORCEMENT MATTERS UNDER THE UNITED STATES –
PERU TRADE PROMOTION AGREEMENT

Noting that on February 1, 2009, the United States – Peru Trade Promotion Agreement (“US-Peru TPA”) entered into force;

Recognizing that Articles 18.8 and 18.9 of the Environment Chapter of the US-Peru TPA call on the United States and Peru to designate a secretariat to receive and consider submissions filed by any person of a Party asserting that a Party is failing to effectively enforce its environmental laws and to prepare factual records concerning such submissions, if any member of the Environmental Affairs Council (“Council”) established pursuant to Article 18.6 of the US-Peru TPA instructs it to do so;

Recalling that the United States and Peru, through an exchange of letters dated April 25 and April 27, 2011, agreed to request of the GS/OAS that its Department of Sustainable Development (“GS/OAS/DSD”) house and provide administrative and technical support for the secretariat, which shall function independently under the sole direction and supervision of the Council;

Acknowledging that on April 27, 2011, the United States and Peru sent a letter to the GS/OAS requesting that the GS/OAS/DSD house and provide technical and administrative support for the secretariat, noting that the United States and Peru intended to make arrangements to provide funds to and enter into an agreement with the GS/OAS to enable the secretariat to carry out these functions; and
Acknowledging further that on June 17, 2011, the GS/OAS delivered a letter to the United States and Peru consenting to that request subject to the provision of funds by the United States and Peru and to the completion of an agreement between the United States, Peru and the GS/OAS detailing the arrangements for the GS/OAS/DSD to house and support the secretariat;

HAVE AGREED AS FOLLOWS:

ARTICLE 1: PURPOSE AND INTERPRETATION OF THIS MEMORANDUM OF UNDERSTANDING (“MOU”)

1. The purpose of this MOU is to establish the relationship between the Parties under which the GS/OAS will house and support a Secretariat for Submissions on Environmental Enforcement Matters under the US-Peru TPA (“the Secretariat”).

2. ARTICLE 5: FINANCIAL PROVISIONS

1. In preparing the draft annual Secretariat budget for submission to the Council, the Executive Director shall coordinate with the GS/OAS/DSD.

2. The Governments of the United States and Peru shall transfer their contributions to the GS/OAS by means of check deposit, letter of credit or through bank transfers.

3. GS/OAS shall administer the contributions it receives from the Governments according to its rules and procedures and the terms and conditions of the instruments the United States and Peru use to transfer the contributions.
All financial activity associated with the Governments’ contributions shall be subject to audit. These audits shall be carried out in the context of a general review of GS/OAS’s financial operations. The Governments of Peru and the United States also reserve the right to audit financial activity associated with their contributions. The cost of any additional audit that may be requested by the Governments of Peru and the United States shall be included in the yearly-approved budget of the Secretariat or covered with the contribution of the Governments. Any additional audits shall be coordinated with the GS/OAS Secretariat for Administration and Finance.

4. Any reduction in the value of a Government’s contribution paid in a currency other than U.S. dollars relative to the budget approved by the Council, arising as a consequence of a devaluation of the currency, shall be assumed and covered directly by the Government making the respective contribution at the timely indication of the GS/OAS.

5. Where the Governments provide the GS/OAS insufficient funds to cover the Secretariat’s annual budget, the Parties shall coordinate to determine appropriate action that the GS/OAS may take to address the budget shortfall. If the Parties are unable to agree on appropriate action to address the budget shortfall within 60 days of the GS/OAS notifying the Governments of the budget shortfall, the GS/OAS may allocate remaining funds to cover Secretariat expenses notwithstanding the Council approved budget. Unless the Governments decide otherwise and notify the GS/OAS, the GS/OAS shall, to the extent possible, allocate remaining funds to Secretariat staff salary and benefits. For the Governments of Peru and the United States, the agencies responsible for coordinating activities related to the Secretariat are, for Peru: the Ministry of Foreign Trade and Tourism, and (2) the Ministry of Environment; and for the United States: (1) the Office of the United States Trade Representative, and (2) the United States Department of State, Bureau of Oceans and

ARTICLE 7: PRIVILEGES AND IMMUNITIES

Nothing in this MOU constitutes an express or implied waiver of any privileges and immunities of the OAS or the GS/OAS, its personnel and its assets, by virtue of the relevant agreements and laws on the subject and general principles of international law.

ARTICLE 8: GENERAL PROVISIONS

1. Modification to this MOU may only be made by mutual agreement in writing by the Parties. The MOU may be modified by written articles of amendment or an exchange of letters signed and dated by the Parties.

2. The MOU shall enter into force thirty days following the date the Parties exchange written notifications certifying that they have completed their respective legal requirements for its entry into force or on such other date as the Parties may agree and shall remain in force for two years unless the Parties agree otherwise. The MOU may be terminated by mutual consent of the Parties or upon ninety (90) days prior written notice provided by one of the Parties to the other Parties.

3. The United States, per a cooperative agreement dated September 12, 2012, provided funding in the amount of USD 593,995 to the GS/OAS. The Parties agree that this funding is intended to provide for the Secretariat’s operations as set out in the cooperative agreement.

4. The GS/OAS will notify the United States and Peru within two business days of any person filing a claim with respect to the Secretariat’s operations including the public submission process. Thereafter, the GS/OAS will notify the United States and Peru of any material developments with respect to the claim, and shall constructively consult with the other Parties with regard to any settlement that involves the expenditure of resources. The GS/OAS will provide the United States and Peru with fifteen days advance notice of using either Party’s funding for the defense of any such claim.

5. The GS/OAS shall have no liability regarding the public submission process, or any decisions, resolutions or factual records developed by the Secretariat and published by the Council. If any claims are filed against the GS/OAS in relation to the Secretariat’s operations, the Parties agree that
GS/OAS may utilize the financial resources provided to support the Secretariat’s operations in line item 8 of the Secretariat’s budget, up to the amount of USD 75,000, to underwrite or reimburse the GS/OAS for expenses related to its defense, to the extent such costs are legally allowable pursuant to the cooperative agreement dated September 12, 2012, and the related laws and regulations of the Parties.

6. In case the financial resources in the preceding paragraph are insufficient to reimburse the GS/OAS for expenses related to its defense, or in the event the GS/OAS is obligated to pay judgments or settlements that are directly caused by actions related to the Secretariat’s operations, Peru agrees to provide the GS/OAS additional funds up to the amount of USD 100,000. To authorize the payment to the GS/OAS, the Government of Peru needs to receive a copy of the corresponding settlement or judgment. The payment to the GS/OAS will be authorized by the Government of Peru no later than sixty days after the date of the receipt of the copy of the signed settlement or judgment from the GS/OAS.
