Notes to the Schedule of Peru

1. A participating Gobierno Regional may deny the benefits of this Section to a supplier of the United States unless the supplier meets one or more of the conditions set out in subparagraphs (a) through (c).

   (a) Procurement of Goods:

   (i) The supplier is offering to supply a good of the United States, as determined under Article 9.2.4 of this Chapter, and has a principal place of business in a participating state or is directly or indirectly owned or controlled by an enterprise with a principal place of business in a
participating state; or

(ii) The supplier is offering to supply a good that is substantially produced or assembled in one or more participating states. A good shall be considered to be substantially produced or assembled in a participating state(s) if the production or assembly in the participating state(s) accounts for 51 percent or more of the value of the good.

(b) Procurement of Services Other Than Construction Services:

(i) The supplier is offering to supply a service, other than a construction service, and the supplier has a principal place of business in a participating state or is directly or indirectly owned or controlled by an enterprise with a principal place of business in a participating state; or

(ii) The supplier is offering to supply a service, other than a construction service, that is substantially performed within a participating state(s). A service, other than a construction service, shall be considered to be substantially performed in a participating state(s) if the performance of the service in the participating state(s) accounts for 51 percent or more of the value of the service.

(c) Procurement of Construction Services: The supplier is offering to supply construction services, and the supplier has a principal place of business in a participating state or is directly or indirectly owned or controlled by an enterprise with a principal place of business in a participating state.

2. A participating Gobierno Regional shall allow a supplier to self-certify that it meets one or more of the conditions set out in paragraph 1. If the participating Gobierno Regional considers the certification to be erroneous or unsubstantiated, it shall, after consultations with the supplier, permit the supplier to challenge that determination in accordance with Article 9.11 of this Chapter.

(i) The supplier is offering to supply a service, other than a construction service, and the supplier has a principal place of business in a participating Gobierno Regional or is directly or indirectly owned or controlled by an enterprise with a principal place of business in a participating Gobierno Regional; or

(ii) The supplier is offering to supply a service, other than a construction service, that is substantially performed within a participating Gobierno Regional(s). A service, other than a construction service, shall be considered to be substantially performed in a participating Gobierno Regional(s) if the performance of the service in the participating Gobierno Regional(s) accounts for 51 percent or more of the value of the service.

(c) Procurement of Construction Services: The supplier is offering to supply construction services, and the supplier has a principal place of business in a participating Gobierno Regional or is directly or indirectly owned or controlled by an enterprise with a principal place of business in a participating Gobierno Regional.

8. A procuring entity of a participating state shall allow a supplier to self-certify that it meets the conditions set out in paragraph 7. If the procuring entity of a participating state considers the certification to be erroneous or unsubstantiated, the state shall, after consultations with the supplier, permit the supplier to challenge that determination in accordance with Article 9.11 of this Chapter.

Section C: Other Covered Entities

1. This Chapter applies to the other covered entities listed in each Party’s Schedule to this Section where the value of the procurement is estimated, in accordance with paragraphs 9 and 10 of Article 9.1, to equal or exceed:
(a) for procurement of goods and services:

(i) by List A entities: US$250,000, or

(ii) by List B entities: US$593,000; and

(b) for procurement of construction services by List A and List B entities: US$7,407,000.

The monetary thresholds set out in subparagraphs (a)(ii) and (b) shall be adjusted in accordance with Section H of this Annex.

2. Unless otherwise specified herein, this Chapter covers only the entities listed in this Section.

2. The thresholds for procurement of goods and services by entities in Sections A and B and List B entities in Section C and for procurement of construction services in Sections A through C are conversions into U.S. dollars of the thresholds listed in the U.S. Appendix 1 to the World Trade Organization Agreement on Government Procurement, which are set out in Special Drawing Rights (SDRs) and listed below. Every two years, the United States shall calculate adjustments of these thresholds for purposes of paragraph 1 based on an average of the daily conversion rates of the U.S. dollar in terms of SDRs, published by the IMF in its monthly "International Financial Statistics", for the two-year period preceding October 1 or November 1 of the year before the adjusted thresholds are to take effect.
(a) 130,000 SDRs for goods and services for Section A, paragraph 1(a) entities;
(b) 355,000 SDRs for goods and services for Section B entities; and
(c) 400,000 SDRs for goods and services for Section C, List B entities, paragraph 1(a)(ii);
(d) 5 million SDRs for construction services for Section A, B, and C entities.

3. The United States shall notify Peru of the adjusted threshold values in December of the year before the adjusted thresholds take effect.

4. Peru shall:

   (a) convert the adjusted threshold values notified by the United States under paragraph 3 into Nuevo Soles based on the official conversion rate of the Banco Central de Reserva of Peru (BCR), using the average of the daily values of its currency in terms of the U.S. dollar over the two-year period ending September 30 of the year in which the United States notifies the adjusted threshold; and

   (b) promptly notify the United States of the value in its currency of the adjusted thresholds.

5. The Parties shall consult if any major change in a national currency vis-à-vis the other currency creates a significant problem with regard to the application of this Chapter.
