6 January 2026

Mr. César Augusto Llona Silva  
Vice Minister of Foreign Trade  
Ministry of Foreign Trade and Tourism of Peru

Dear Mr. César Augusto Llona Silva,

Thank you for your email of 6 January 2026 attached with the Authorisation Letter on the Free Trade Agreement Transshipment Facilitation Scheme (FTA Scheme), administered by Hong Kong Customs, to cover originating goods transported from the Chinese Mainland to Peru via Hong Kong, China under the China-Peru Free Trade Agreement (CPFTA). The related applications will be accepted and processed according to the agreed principles with effect on 12 January 2026.

Hong Kong Customs will take initiative to promote this extension arrangement and the benefits brought by the FTA Scheme to local and overseas traders. I trust the trading and logistics industry in Peru will also be duly informed of the same, so that more transshipment cargoes passing through Hong Kong, China could benefit from the preferential tariffs under the CPFTA.

I wish this arrangement would add impetus into the trade and create more business opportunities amongst Peru, the Chinese Mainland, and Hong Kong, China. We look forward to our fruitful cooperation in the years to come.

Yours sincerely,
